

DARGAN CONSTRUCTION COMPANY, LLC

GENERAL CONTRACTORS

900 - 8TH AVENUE NORTH

P.O. BOX 1468

MYRTLE BEACH, S.C. 29578

PROJECT: North Beach Plantation
TO: North Beach Plantation Unit Owners and Occupants
RE: Structural Building Components

Dear Owners and Occupants:

This building utilizes unbonded post tension cables and steel reinforcing as the primary structural support. Due to the use of unbonded post tensioned cables, owners and occupants should not drill, chip, etc. greater than 3/4 " into the floor or ceiling concrete.

If you have any questions, please contact the building management team.
